

New Jersey Chapter Chatter

**The New Jersey Chapter would like to cordially
extend an invitation to the
Pennsylvania, Delaware, Maryland and
New York Chapters of NADONA
to our 28th Annual Convention
being held April 2nd, 3rd & 4th, 2017 at
Bally's Hotel and Casino, Atlantic City, NJ.**

**We have a variety of topics and speakers whose
presentations are designed for the Long term care
community. Beth Nolan, PhD from the Teepa Snow Group
will be presenting a two part workshop on Dementia. This
is the topic that is affecting many of you daily.
We also have two sessions for Assisted Living: Certified
Medication Aides and the Survey Process in Assisted
Living.**

**Please go to our Web-site, [www. NJADONA.org](http://www.NJADONA.org) and
look at our schedule. You can earn contact hours, meet the
vendors and discover all the new products and services
they have to offer. And most of all network with your
peers who share the same issues and concerns you do.**

**Come join us for workshops, contact hours,
networking and a chance to recharge and
maybe even relax a bit.
